About us

***Unified Markers Pvt. Ltd.** established in the **year 2021** located at Pune, Maharashtra, India, specializes in manufacturing of Customized Multicolor Printed Labels, Plain and Printed and Printed Barcode labels. We have also added Label Printer and Scanner to our product list. This will help us provide clients with one stop solution for Barcode Printing.

*We work on core principal to provide our clients with On Time Service with Quality Product at Reasonable Price. We believe this principal of ours will pave our path of success in future.

*We currently cater clients from varied sectors. Our clientele includes Automotive Industries, Polymer & Rubber Industries etc.

*All the products are converted, printed and finished in house at Unified Markers.

*We have installed One Printing machine of 4 Color and Four Punching machines. The machine is well renowned, which enables us to provide clients with varied options and meet their requirements.

**THANK
YOU!**
